

LWVA Garden Club

The LWVA Garden Club was established during the fall of 2006 to represent gardeners and to assist Leisure World management in the administration of the garden plots.

Meetings and outings are generally held monthly from Sept. to June, culminating in a popular summer barbecue open to all residents.

A monthly email newsletter is sent to members which provides gardening tips, recipes, and other unique info of interest to gardeners. Local speakers often come to provide information on birds seen while gardening, [planting a pollinator garden](#), Master Gardeners' tips and other topics such as flower arranging and photography.

The club maintains 3 community herb gardens on the premises which are open to all residents to pick from basil, mint, thyme, cilantro, dill, parsley, lemon balm, rosemary, oregano, chives, savory, tarragon, lovage, fennel, sage and others. Charts are provided in newsletters to help residents use the herbs. Use these links for more information:

[>>>plants to save the bees](#)

Offsite outings have included Meadowlark Gardens, Oatlands Plantation at Christmas, the Philadelphia Flower Show, the Virginia State Arboretum, Dodona Manor (home of Gen. George C. Marshall), etc.

Club Activities, Membership & Contact Info

Club activities are open to all LWVA residents, whether you have a garden plot or not. You also do not have to rent a garden plot to join the Club. Dues are

\$10.00 for an individual and \$15.00 for a couple. [Click here for an application to join LWVA Garden Club](#). If you have questions or comments, please contact Bob Kellner at 703-729-2099 or at kellnerrob@yahoo.com or Phil Keller at pkeller@glassmile.net or 703-726-8906.

Obtaining a Garden Plot

Plot rental applications are submitted to the LWVA Management Office between September 15 and October 15 and plots will be assigned or reassigned by November 1. An annual rental fee is required with the application. Keys are also provided for the gardening sheds with a one-time refundable deposit. LWVA will provide rototilling of gardens upon request at a reasonable fee.
