### **Permission to accept deliveries Waiver of Liability**

Name: \_\_\_\_\_ Unit#: \_\_\_\_\_

As a courtesy and convenience in your absence, Management will accept deliveries on your behalf. Because we have very limited space for this service, we request that you pick up your deliveries from the package room which is across from the lobby elevators (Monday-Saturday, 3:30-5:00 PM) on the day that you are notified if at all possible.

Please understand that Management and our Package Room Volunteers do not accept responsibility for the content or condition of packages, nor guarantee notification or delivery. This is due to the fact that often packages are signed for in-mass, meaning that we are working with residents on issues and not able to individually check in packages when deliveries arrive. We are merely signing to express that we have received that day's delivery from a carrier.

I hereby give permission to the Association Management and Package Room Volunteers for Riverbend at Lansdowne Woods Condominium to sign for the below deliveries. This signature relieves the association, Management and volunteers of any liability and related claims associated with acceptance of any and all of the following items on my behalf.

- Large Packages
- UPS Deliveries, Federal Express, Choice, Signature required, etc.
- Flower or gift basket deliveries
- Medicine
